- Academic Calendar of the University – **Yes** (as notified by Anna University from time to time )
- Academic Time Table –**Enclosed as separate annexure**
- Teaching Load of each Faculty – **2 theory subjects and 1 lab**
- Internal Continuous Evaluation System in place – **Yes** (based on Weekly test, Cycle test, Revision and Model Examinations, Attendance)  
The Cycle test are conducted in all subjects three times in a semester and the average marks obtained in that subject in these test are worked out and reduced for a base of 15 marks. Based on the attendance put up by the student in the subject during the semester marks are allocated for a maximum of 5 marks. The sum of marks for class test and attendance is taken to be internal assessment marks scored by the candidate in that subject.
- Students’ assessments of Faculty, System in place – NAAC formats for such assessment are **implemented.**
